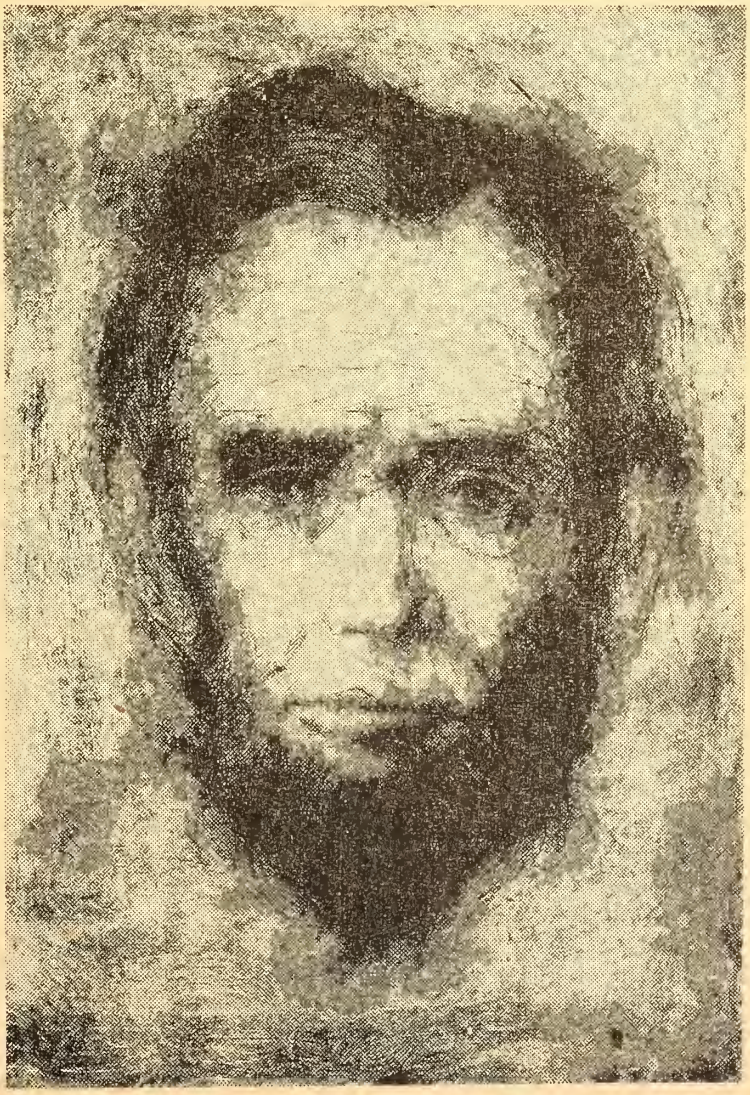
1809 — LINCOLN — 1865



—From a recent etching by David Rosenthal, of Cincinnati.

"I desire so to conduct the affairs of this Administration that if at the end, when I come to lay down the reins of power, I have lost every other friend on earth, I shall at least have one friend left, and that friend shall be down inside me."—Reply to the Missouri Committee of Seventy.—1864.

My dear Mr. Warren:

I was interested to receive your correspondence and learn that you were considering my mezzotint of Lincoln asa an addition to your foundation.I would be honored to have one of my works represented in such a sincere and integrally Lincoln organization as the Lincoln National Life Foundation. For this reason I will reduce the price of the print to $12 for your institution since you explained in your letter of the December 5, that your present budget was a bit too limited for the original price.

I trust that this offer will be satisfactoryand acceptable.

Very Truly yours,
David Rosenthal
